

Work Transformation

Manufacturer

“In the span of 12 hours, we ported nearly 10,000 email accounts to Broadcom, while transitioning 14,000 accounts from an on-premises email server to Gmail. It’s amazing to start realizing these operational efficiencies from day one of the combined operations. We couldn’t have done it without Google.” – Andy Nallappan, Vice President, Chief Information Officer, Global Information Technology, Broadcom

Google Workspace

IMPROVEMENT AREAS

Broadcom needed workplace solutions to support revenue growth by accelerating product development & to aid margin growth by speeding the consolidation of the acquired operations.

OUR SOLUTION

MediaAgility has migrated Broadcom to Google Workspace. MediaAgility supported ongoing training, and provided extra assistance for onboardings and other bursts of activity during mergers, acquisitions, and restructurings.

HIGHLIGHTS

- Employees often use a combination of **Drive** and **Gmail** to share large files by including a link to a file on Drive, instead of attaching a file to an email
- 400 lab teams use **Google Sites**
- A **Google Chat** room can have upto 8000 participants
- Integrated support of 28 languages
- **Jamboard** is also a well-liked tool for developing and sharing whiteboard pictures and notes

Google Workspace

IMPROVEMENT AREAS

PickMe, a ride hailing service had a vision to lead the local market and become a premier mobility solutions provider. They wanted a solution to aid this vision.

OUR SOLUTION

PickMe partnered with MediaAgility to provision Google Maps Platform and Google Workspace for the business.

HIGHLIGHTS

- **Directions API:** To calculate the directions between locations and determine the time required to complete a journey from origin to destination
- **Places API** to locate establishments, locations, and points of interest, and the best route to them
- **Google Cloud, Google Workspace,** and **Google Maps** have positioned PickMe to keep growing and enter new markets

KEY SUCCESS FACTORS

Google Workspace

IMPROVEMENT AREAS

Their millennial employees wanted to use Google Workspace’s smart features for collaboration and communication.

OUR SOLUTION

MediaAgility helped Shaadi.com implement Google Workspace. Also, MediaAgility integrated Shaadi.com’s Human Resources tool with Google Workspace to automatically organize their employee profiles into groups within their intranet portals.

HIGHLIGHTS

- Shaadi.com’s teams, spread across the country, were migrated in a well planned, phased approach to ensure no downtimes
- Continuous and rigorous mail flow testing was performed for various real-life scenarios to avoid email loss
- A change management program was introduced after the migration to train Shaadi.com’s employees and executives

BUSINESS IMPACT

1200+

Accounts migrated globally.

Work Transformation

FMCG

Magna
SPECIALIST CONFECTIONERS LTD

“Google Workspace has provided our business with increased flexibility and reduced costs, I can think of few other changes we have made in the business that have been as transformative as this and have been as well received by people from executives down to regular staff. MediaAgility is a premier Google Workspace partner in UK and played a significant role in helping us to deploy Google Workspace for our business,” Nick Davey, IT Manager at Magna Confectioners.

[Read Full Story](#)

Google Workspace

IMPROVEMENT AREAS

Magna Confectioners earlier relied on Lotus Domino/Notes which proved to be

- A clunky system and the company saw administrative issues with the legacy system
- Time intensive to maintain the system as well as a drain on system resources
- No access to remote users other than via laptop VPN

MediaAgility's SOLUTION

MediaAgility helped in evaluating the mobility, security, and ease of access to information and other aspects of Google Workspace and helped in the migration.

HIGHLIGHTS

- **Chat** and **Google Drive** are the most prominent products being used
- The deployment team at MediaAgility smoothly transitioned them to the new Google Workspace

KEY SUCCESS FACTORS

- Google Partner Expertise in Workplace
- Focused expertise to produce innovation-centric outcomes that maximize ROI and business impact
- Active collaboration & high responsiveness through “agile time zone”

BUSINESS IMPACT

33% Reduction in cost

Increased flexibility

Cloud-based office suite for collaboration and remote work

Seamless collaboration with peers, colleagues, partners, vendors and clients

Work Transformation

Retail and eCommerce

“Google Workspace for Business has provided us with so much more productivity than we could ever have asked for. In a mobile and dynamic work environment such as ours, being able to work on the go means that work is not disrupted when we are out for meetings. The result is a much more productive day for each of us,” Pardeep Thind, IT manager of Snapdeal

[Read Full Story](#)

Google Workspace

IMPROVEMENT AREAS

- Snapdeal’s employees found that their limited email storage size was hindering business efficiency
- Also, they were maintaining two domains and wanted to use only one

MediaAgility’s SOLUTION

MediaAgility was the partner in the evaluation and migration to Google Workspace. Tests were conducted based on a stringent list of criteria that included stability, security and ease of use. The results exceeded expectations.

HIGHLIGHTS

- Google’s dedicated IT support team provided technical support to the in-house team
- The implementation process began with senior management, followed by the rest of the company. The entire migration process was completed in only four weeks

BUSINESS IMPACT

Boost in email storage

Singular communications and collaboration platform for increased productivity and efficiency

Greater flexibility and access controls

Faster and better decision-making for management

KEY SUCCESS FACTORS

- Google Partner Expertise in Workplace
- Focused expertise to produce innovation-centric outcomes that maximize ROI and business impact
- Active collaboration & high responsiveness through “agile time zone”
